EXECUTIVE VIRTUAL ASSISTANT

SUMMARY

Great administrative support ensures nothing gets overlooked. As an entry-level Executive Assistant, I've built my skills through 10+ simulated projects, handling 30+ tasks, multiple data entries, and schedules across 3+ time zones while bringing organisation, accuracy, and proactive problem-solving to busy workflows. I'm ready to help remote teams stay organised, meet deadlines, and focus on what matters most.

PROFESSIONAL EXPERIENCE

Vsavvy Academy, Port Harcourt, Nigeria

July 2026 – September 2026

Executive Assistant / Administrative Support

- Reduced a Gmail inbox from 623 to 33 emails, a 95% reduction by implementing a structured system for categorisation, filtering, prioritisation, and follow-ups.
- Coordinated 15+ meetings by managing calendars, resolving scheduling conflicts, inviting attendees, and aligning schedules across different time zones using Google Calendar and Calendly.
- Managed a project from setup to completion using ClickUp, Asana, Trello, and Notion, improving task visibility through structured workflows, priorities, deadlines, and progress tracking.
- Processed 20+ business expense records, improving expense-tracking efficiency by organising and standardising financial data for faster review and accurate recordkeeping.
